QUESTIONS AND ANSWERS.

Equation of Posts.

Q.—1560. Sri S. D. GAONKAR (Karwar).—

Will the Government be pleased to state :—

(*a*) whether there are any posts above the cadre of First Division Assistants and below that of the Superintendents equated to the posts of Senior Assistants in the Bombay Secretariat;

(*b*) if not whether they propose to create a special cadre above the cadre of First Division Assistants to accommodate these Senior Assistants coming from Bombay State;

(*c*) if not, whether in equating the posts of Senior Assistants with the existing posts in the Secretariat, due consideration and weight will be given to the higher scale of pay and promotional nature of the posts of the Senior Assistants ?

A.—Sri S. NIJALINGAPPA (Chief Minister).—

(*a*) Senior Assistants of Bombay are according to the provisional Inter-State Seniority Lists which have been published, equated with other First Division Assistants.

(*b*) Does not arise in view of reply to (*a*).

(*c*) All relevant considerations have been taken into account in preparing the provisional lists which will be finalised after considering objections raised, in consultation with an Officer of the Home Ministry, Government of India, whose services have been indented upon by this Government for the purpose.

Sri S. D. GAONKAR.—My question (*a*) was whether there are any posts above the cadre of First Division Assistants and below that of the Superintendents.....

Sri S. NIJALINGAPPA.—There are three varieties, and if I read the ex-cadres in Bombay State, ex-cadres in Mysore State and the present cadres here, I think my friend will understand the position. It is a bit long. It would be better if I read it out. The following are different categories of posts in non-gazetted cadre that existed in the former Mysore Government Secretariat:

"Superintendents—
Rs. 200-10-300.
I Division Clerks—
Rs. 60-5-90-8-130-10-180.
II Division Clerks—
Rs. 45-3-60-4-100.
Steno-typists—
Rs. 75-5-100-10-200.
Typists—
Rs. 45-3-60-4-100"

The following are the different categories of posts that existed in the former Bombay State:

Senior Superintendents—
Rs. 475-25-600.
Junior Superintendents—
Rs. 320-20-440.
Senior Assistants—
Rs. 210-15-300.
Junior Assistants—
Rs. 120-10-250.
Clerks—
Rs. 75-5-140-8-220.

(SRI S. NIJALINGAPPA)

Stenographers—
Rs. 180-10-310-15-400.
Typists—
Rs. 75-5-140-8-220.

The present cadres that exist in our Secretariat are as follows:

Superintendents—
Rs. 200-10-280-15-400.
Assistants—
Rs. 80-5-100-8-140-10-200.
II Division Clerks—
Rs. 55-3-70-4-110-5-120.
Stenographers—
Rs. 75-5-100-8-140-10-250.
Typists—
Rs. 55-3-70-4-110-5-150.

Sri S. D. GAONKAR.—May I know the principle applied in equating the posts of Senior Assistants with the posts of First Division Assistants?

Sri S. NIJALINGAPPA.—There is sufficient equity. It has been done after due consideration.

Sri G. VENKATAI GOWDA.—In equating the posts, what is the policy of the Government in respect of those cadres which are prevailing in integrated areas and which do not exist in old Mysore?

Sri S. NIJALINGAPPA.—The scales of pay, and the quality of work are the things taken into consideration.

Sri G. VENKATAI GOWDA.—My question is, when several categories are existing outside old Mysore, when similar categories are not existing here, what is the policy, whether these posts are equated with the other posts, whether that will be taken into consideration.

Sri S. NIJALINGAPPA.—The reply is quite clear on that point. All these points have been taken into consideration and the posts equated.

Sri S. D. GAONKAR.—Answer (c) says: that the services of an officer of the Home Ministry, Government of India have been indented upon by this Government for the purpose. May I know how much time it will take for Government to finalise the list?

Sri S. NIJALINGAPPA.—Possibly it will take more time because the list is large and there are other categories that have to be considered by him. We are requesting him to expedite. I think he is doing his best. He may take some time.

(b) whether there is any scheme under their contemplation for rehabilitating and granting compensation and lands to such tenants;

(c) the basis they propose to provide the abovementioned facilities to each of such families?
